## Conference Information

The 2017 Breast Cancer Issues Conference provides survivors, support persons, high-risk individuals and health care professionals the opportunity to learn about and discuss breast cancer topics with leading oncologists, doctors, researchers and fellow survivors. Topics will cover emerging research and treatment options, breast cancer risk reduction and quality of life issues.

Register to attend the live simulcast of the 2017 Breast Cancer Issues Conference in Medford at Providence Medford Medical Center, on March 11, 2017. Sessions available at the Medford simulcast include:

- Keynote: "Immunotherapy Trial Michio777," David Page, MD, Providence Cancer Center
- Session 1A: "Managing Side-Effects of Anti-Estrogenic Drugs, Naturally," Tina Kaczor, ND, Clinic of Natural Medicine, Eugene, OR
- Session 2D: "Vaginal Health for Breast Cancer Survivors- It's Important," Nancy Salisbury, MD, Dr. Ngyn, LLC
- Closing Session: Surviving to Thriving: Using Mindfulness Meditation to Get You There," Barbara Nicholson-Sambuceto, PT, & Beth Ruml, MSW, LCSW, Providence Health and Sciences

## Continuing Education Information

Course rosters will be submitted to the appropriate entities for imaging technologists, nurses and social workers. All attendees requiring CE credit will be given a certificate of completion. It is the participant's responsibility to verify the requirements of his or her state/provincial licensing board(s) and to self-report any CE credits earned.

## SESSION 1

10:00 - 11:15 am

### Managing Side Effects of Anti-Estrogenic Drugs, Naturally

Review SERMS and aromatase inhibitors, and discuss evidence-based natural medicine solutions to side effects such as hot flashes, joint pain and cognitive changes

Tina Kaczor, ND  
Clinic of Natural Medicine, Eugene, OR

## SESSION 2

12:45 - 2:00 pm

### Vaginal Health for the Breast Cancer Survivor *It's Important!*

Discuss treatments for conditions that affect vaginal health, and ways to promote healthy sexuality after cancer.

Nancy Salisbury, MD  
Dr. Ngyn, LLC

## CLOSING SESSION

2:15 - 3:30 pm

### Surviving to Thriving: Using Mindfulness Meditation to Get You There

Understand the science and research behind meditation, learn the benefits of consistent meditation practice, dispel myths, discover tips for how to incorporate meditation into your life, and experience a short meditation
