

Breast Cancer Issues Conference Live Simulcast March 11, 2017

The Samaritan Center for Health Education in Newport will host a live simulcast of the 2017 Breast Cancer Issues Conference, sponsored by the Susan G. Komen Oregon & SW Washington affiliate.

- *Keynote Speaker is David B. Page, MD medical oncologist with Providence Cancer Center, who will discuss current investigations into immunotherapies that can treat breast cancer.*
- *Special guest speaker, Dean Schrock, PhD, author, & mind/body breast cancer researcher, will be at the Center for Health Education discussing "Taking Control of Your Health."*

For more information on session topics, visit www.komenoregon.org.

Date: March 11, 2017

Cost: Free, Registration is required. Please register at www.samhealth.org/classes

CEU Credits are available for a \$35 fee (exact cash or check only at the door)

Conference is open to medical professionals, survivors, family and friends.

Lunch will be provided.
