EUGENE RACE FOR THE CURE RAISES AWARENESS, FUELS KOMEN'S MISSION TO SAVE LIVES IN LANE COUNTY AND BEYOND

October 17, 2012 (Eugene, OR) – The Oregon and SW Washington Affiliate of Susan G. Komen for the Cure will host the 3rd annual Eugene Race for the Cure Sunday, October 21, 2012 at Autzen Stadium. Rain or shine, the fight is always on as this important event brings thousands together to celebrate breast cancer survivors and honor those who lost their battles to the disease.

75% of all funds raised from the Race for the Cure stays in Oregon to benefit low-income women and fund local programs. With Lane County being home to the second-highest rate of uninsured women in the State of Oregon, the need for Komen resources in Eugene is urgent.

In addition to providing local resources, the event presents a tremendous opportunity for breast cancer awareness. It is imperative for Komen Oregon to instill in everyone just how important early detection is. When detected in its earliest stage, breast cancer has a 99% survival rate.

The effectiveness of Komen Oregon's mission is entirely dependent on its network of fundraisers, sponsors and volunteers. Money raised by race participants helps expand access to lifesaving screening and treatment while providing funding for cutting-edge breast cancer research.

Individuals can register online through 11:59pm tonight at www.komenoregon.org; students can receive a \$10 student discount when they enter "goducks2012" during the registration process.

Individuals may also register in-person at the Race for the Cure T-shirt Pick-Up event on Saturday, October 20th from 9am-3pm at the Holiday Inn Eugene-Springfield, located at 919 Kruse Way in Springfield, or on Race morning at Autzen Stadium starting at 6:30am. Students may also receive a \$10 student discount when registering at the pick-up event or on Race morning; simply show your valid student ID at the registration tent!

Race for the Cure is an important way to raise awareness and funds for Komen Oregon's mission, support survivors and empower individuals to be their own health care advocates. We're on a mission – join us!
