

Happy summer to our Komen community in Oregon and SW Washington!

For Susan G. Komen, this time of year means we turn our full attention to our largest community fundraising event of the year, Race for the Cure, which will be held on September 16th on Portland's waterfront. Online registration opened this past week, and we hope you will join us for our 27th year supporting local screening and diagnostics programs, education and outreach, treatment access, community partnerships, initiatives across our region and of course advanced breast cancer research.

I hope you will take time to learn more about the programs we are actively engaged in with our community partners in the summer edition, and don't forget to sign your Race team up and set a personal fundraising goal of any amount to help us cross the finish line in September!

Best wishes,

Andrew Asato
Chief Executive Officer
