As spring approaches, our Komen team is fully engaged in a number of events and activities in the breast cancer community:

On March 16, we will host the 2019 Annual Breast Cancer Issues Conference in Portland (with simulcast sites located across Oregon), our Lunch for the Cure event is coming up on April 10, and in May, we will join our colleagues in Washington D.C. for our Annual Advocacy Summit on Capitol Hill. There, we will meet with our Oregon and SW Washington congressional delegation representatives to advance Komen's breast health priorities. This coincides with our work building health coalitions and advocating in Salem year-round. There are more exciting developments we will share with you later this spring. Stay tuned!

Please enjoy this newsletter and know how grateful we are for your commitment and support to Komen's mission!

Best Wishes,

Andrew Asato
Chief Executive Officer
