CEO LETTER

Read how our programs impact the community and our events support our mission.
Men can get breast cancer. Some men may be embarrassed about a change in their breast or chest area and put off seeing a doctor, which may lead to a delay in breast cancer diagnosis and treatment. Pay attention and seek a doctor’s opinion if you notice any changes.

Community Programs 2017-2018

Treatment Access Program

Our program provides assistance with transportation, food, gas, and lodging to those undergoing breast cancer treatment in rural communities. Read more.

Komen Speakers Bureau

Komen Project Support

Nonprofits can apply for funding of up to $2,000 for breast health related projects that will be completed by March 31, 2018. Read more.
Friendformational Event

Our Ambassador Board brought together over 100 people from the community to enjoy each other’s company, learn more about breast health, and get involved. See more photos.
