URGENT DOLLARS NEEDED TO HELP BREAST CANCER PATIENTS ACCESS TREATMENT

RISING UP IN ADVERSE TIMES

CEO, Andrew Asato

As this pandemic continues to grip our country, we want to keep you informed of our work across Oregon and SW Washington. More than ever, our breast cancer community is reeling from the pandemic physically, emotionally, and financially. It is clear that breast cancer does not stop during these times, so neither can we!

Yes, the current shut down to slow the spread of COVID-19 has impacted us significantly. Our Breast Cancer Issues Conference is to be rescheduled and the Lunch for the Cure will now be on October 7.

In the midst of major change, we do find hope as we look forward to the annual MORE THAN PINK Walk (formerly known as Race for the Cure), which will be going fully virtual on August 23, 2020. We are eager and excited for registration to open May 15.

Warmly,

If this is you, talk with your oncology clinic about applying.

Metastatic Breast Cancer

While we have had to cancel our May [MBC Dinner Series](#) dinner, we are trying to provide an avenue for those of you living with metastatic breast cancer to connect with one another. If you'd like to join us on Tuesdays at 11 am and/or Thursdays at 7pm for virtual Sip Sessions or Happy Hours, respectively, email programs@komenoregon.org for the link / more information.
